GUARDIAN 3.0

Meilleur ratio performance/prix du marché, le GUARDIAN est un chausson hyper asymétrique très polyvalent. Le chausson de prédilection de Paul JENFT, champion d'Europe jeune de bloc et dif. 2018, 2019 et 2021.

Unbeatable price/performance ratio, the GUARDIAN is an extremely asymmetrical and versatile climbing shoe. Paul JENFT used it to win the European bouldering and lead youth cup in 2018/2019/2021.

Bestes Preis-Leistung-Verhältnis des Marktes. Super asymmetrisch and sehr vielseitig. Sehr sportlicher Schuh, der trotzdem extrem komfortabel bleibt. Weltmeister mit Charlotte Durif und Europameister 2018/2019/2021 mit Paul Jenft.
